Islamic Art: An Exploration of Pattern Islamic Art: An Exploration

of Pattern - cerisnet.org - Islimi designs gradually emerged as the floral, vegetative style of Islamic art in various forms around the world. As Islam spread and nations adopted the faith, they stylized their decorative arts to fit the principles of Islam. At the same time they were inspired by each other. Most notable influences were from Chinese and Byzantian arts. Introduction to Arabesque | Art of Islamic Pattern -
