Mon, 14 Jan 2019 23:00:00 GMT architecture photography and the contemporary pdf - Architecture is both the process and the product of planning, designing, and constructing buildings or any other structures. Architectural works, in the material form of buildings, are often perceived as cultural symbols and as works of art. Historical civilizations are often identified with their surviving architectural achievements. Tue, 15 Jan 2019 21:05:00 GMT Architecture - Wikipedia - Women in architecture have been documented for many centuries, as professional (or amateur) practitioners, educators and clients. Since architecture became organized as a profession in 1857, the number of women in architecture has been low. At the end of the 19th century, starting in Finland, certain schools of architecture in Europe began to admit women to their programmes of study.
